Foreword:

Common sense advises us that appraisals are most timely and valuable when made in respect to our achievements and intended goals. By the same token, tradition asserts that if these individual inventories are compiled, their evaluation will lead us to an appraisal of the whole.

The pages of this thirty-fourth volume of the CAVALIER are just that—a mirror wherein you might find reflected the various phases of life at Central High School. It is our wish to preserve some tangible memories of the invisible, though proud, spirit of our school. To publish it was our goal; if in reminiscing you find a picture or a word that will recall fond memories, our endeavor has served its purpose and we have accomplished our end.

Dedication

With an era beginning in 1945, Central High School has had the privilege of being guided and inspired by an educator who has dedicated his life to the genuine interest of students while endeavoring to incite and encourage each individual to develop his potential. He has literally "lived Central High School" during these two decades.

In recognition of his dedication to youth and his concern for their welfare, for his unceasing work

in the functions of the school, for his pleasant temperament, for his willingness to give a second chance, for his ability to see the best in students, and for his capable leadership, we trust and hope this dedication will be a fitting tribute.

Accordingly, with sincere gratitude, profound respect, and great pride and affection, we, the staff of 1966, proudly dedicate this, the thirty-fourth volume of the CAV-ALIER, to

Mr. O. Lester King.

Superintendent's Message

There are many joys of the day and much peace of the night. How strong are your hands, your shoulders, and your determination? You and I need to reach out for joy and peace, grasp it tightly, and hold on securely.

Unsung Heroes

CUSTODIANS

Behind the scenes at CHS, students many times don't realize the duties facing Mr. Ledford, Mr. Stover, and Mr. Cole, our reliable custodians. Always ready to extend a helping hand, during both school and extracurricular activities, these men deserve a sincere vote of thanks for their unsung efforts.

COOKS

The delicious and nutritious foods prepared by our outstanding cooks, Mrs. Zola Burgess, Mrs. Dimple Phy, Mrs. Meckle Phy, and Mrs. Ila Mae Chaffin, speak well for their abilities. Because of their constant concern for the students, the skill evidenced in the cooking of our meals, and their always friendly attitudes, we are ever grateful.

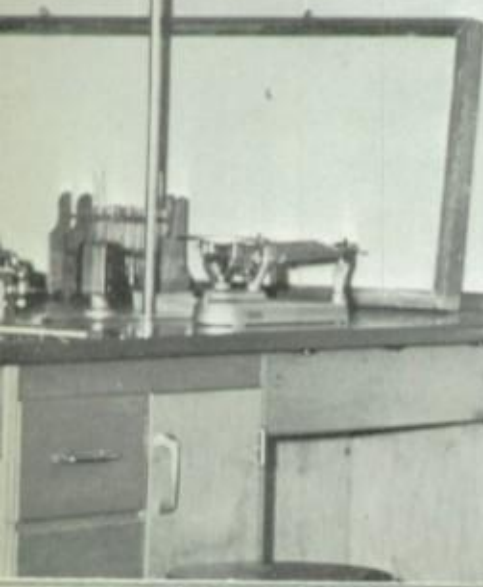

OFFICE SECRETARY

A personable smile her trademark, Mrs. Joyce Phillips has served the students and faculty of Central this, her first, year with a "never-too-busy" attitude. All who have come in contact with her as Mr. King's dependable office secretary will agree that she has strived to please in every way possible. Thank you, Mrs. Phillips, for your encouragement and inspiration to all at CHS.

Season's Resumés

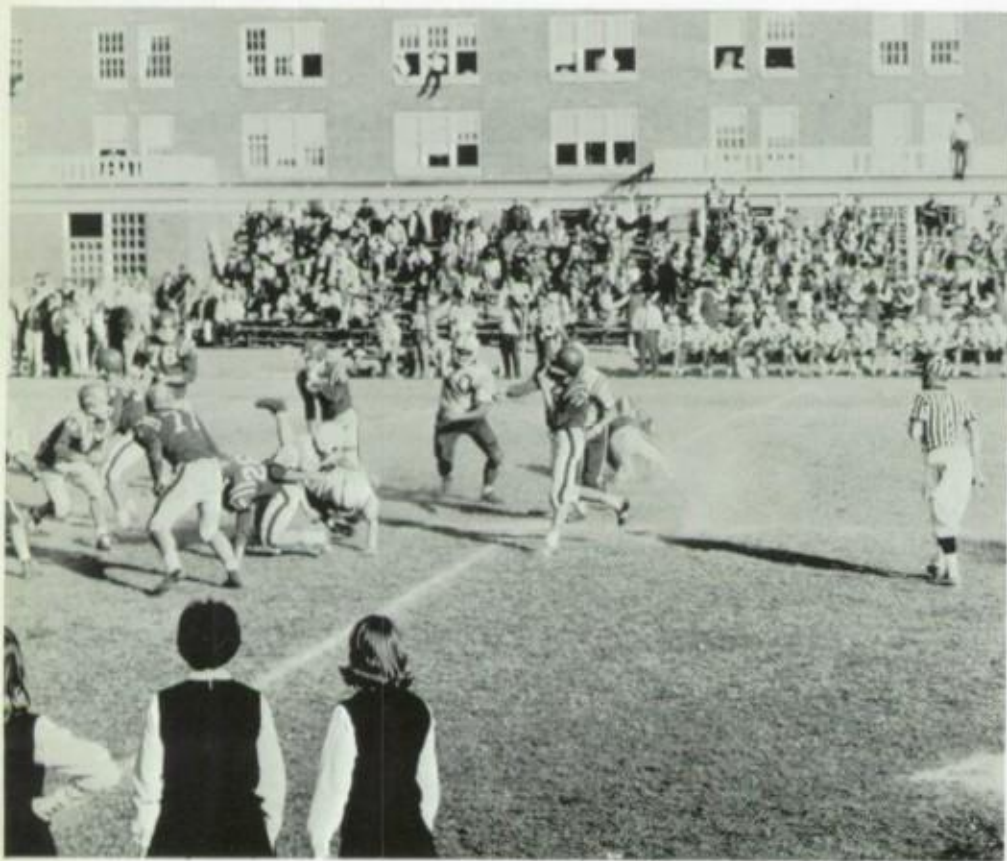

COOKEVILLE 6—McMINNVILLE CITY 13

The 1965 football season opened on a sad note as the Cavaliers fell to the Raiders. The first touchdown of the season was scored with only four minutes having been played. Richmond Burgess recovered a Raider fumble on their 19 yard line and two plays later Watson Brown passed to Jerry Bradford for the score. McMinnville scored in the second quarter on an 18 yard screen pass, and the Raiders got six insurance points on a recovered Cookeville lateral moments later. In the second half, Cookeville came back and dominated play but was unable to score. Though defeated, the Cavaliers led in first downs, yards rushing, and yards passing.

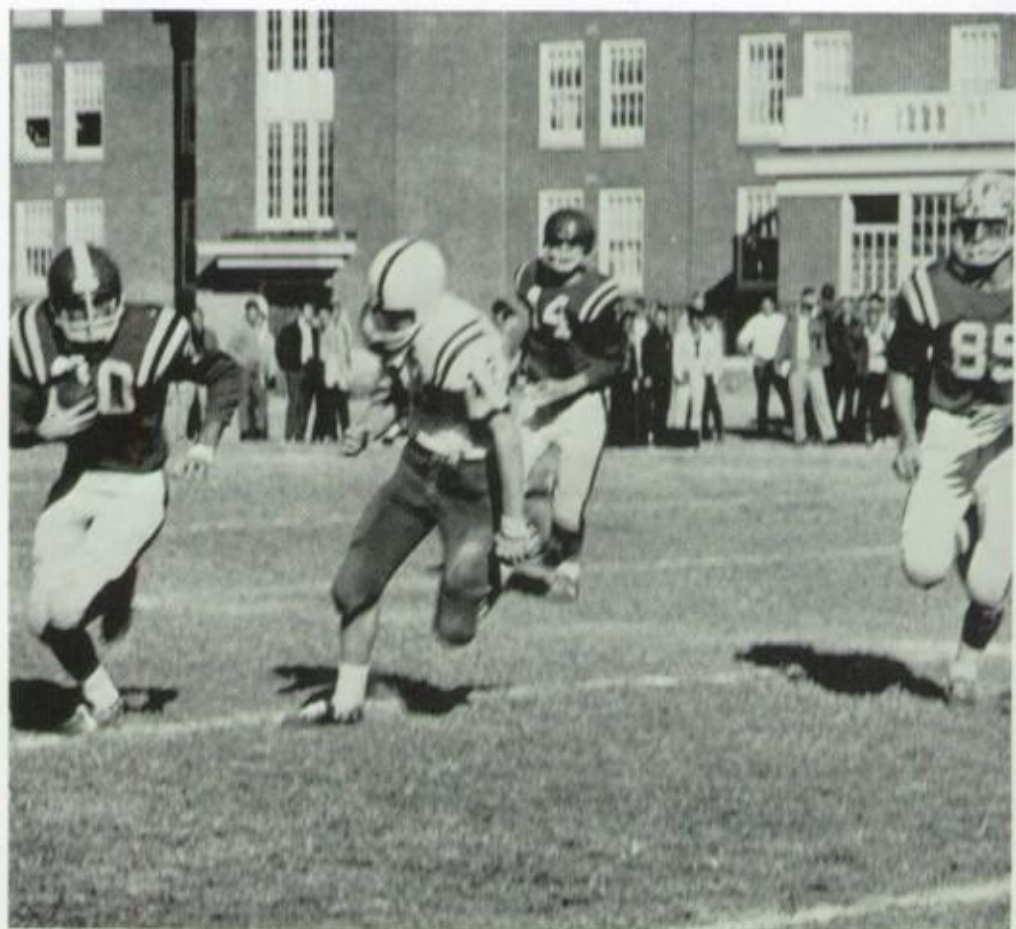

COOKEVILLE 7—SPARTA 21

In the third game of the gridiron season, the Cavaliers battled the White County Warriors. Though Central's attack was strong, the Cavaliers suffered their third loss in a row. The Warriors scored first, but Billy Harris tied the game at the half with a fifteen yard run. Richmond Burgess kicked the extra point for Central. Due to Cookeville's strong defense during the second half, Sparta was unable to score until late in the fourth quarter. The Warriors' final score came as the gun ended the game.

COOKEVILLE 12—SMYRNA 20

Still not able to find the winning combination, the Cavaliers dropped the second game of the season to the heavier Smyrna team. The first half was scoreless, but Billy Harris started off the second period of play with an 82 yard kickoff return which put the Cavaliers on the scoreboard. Central held the Smyrna team in check until late in the third quarter. Then scoring three touchdowns, Smyrna took the lead. In the fourth quarter Billy Harris made the second Cavalier touchdown.

COOKEVILLE 14—LIVINGSTON 0

The Cookeville Cavaliers picked up their first victory of the season by defeating the Livingston Wildcats 14 to 0. After Cookeville forced Livingston to punt, James Clinton raced off right tackle for 81 yards and the score. Then Richmond Burgess added his first of two extra points for the night. Cookeville's second score came early in the third quarter when Central recovered a fumble on the Livingston 20 yard line. Four plays later Kenny McBroom dove in from the two yard line for the score. Cookeville picked up 168 yards rushing and held Livingston to 16.

COOKEVILLE 2—LEBANON 31

The Lebanon Blue Devils spoiled Central's Homecoming by defeating the Cavaliers 31 to 2. The Cavaliers held Lebanon scoreless in the first quarter, but the Blue Devils broke loose for twelve points in the second period of play to lead 12 to 0 at the beginning of the half-time ceremonies. At half-time Sara Flatt was crowned 1965 Football Queen by captains Glen Hitchcock and Billy Harris. Lebanon came back after the half and put 13 points on the board in the third quarter and six more in the fourth period of play. Central was scoreless until late in the fourth quarter when Harold Bilbrey, leading a host of Cavalier linemen, tackled Billy Sellers in the endzone for a 2 point safety.

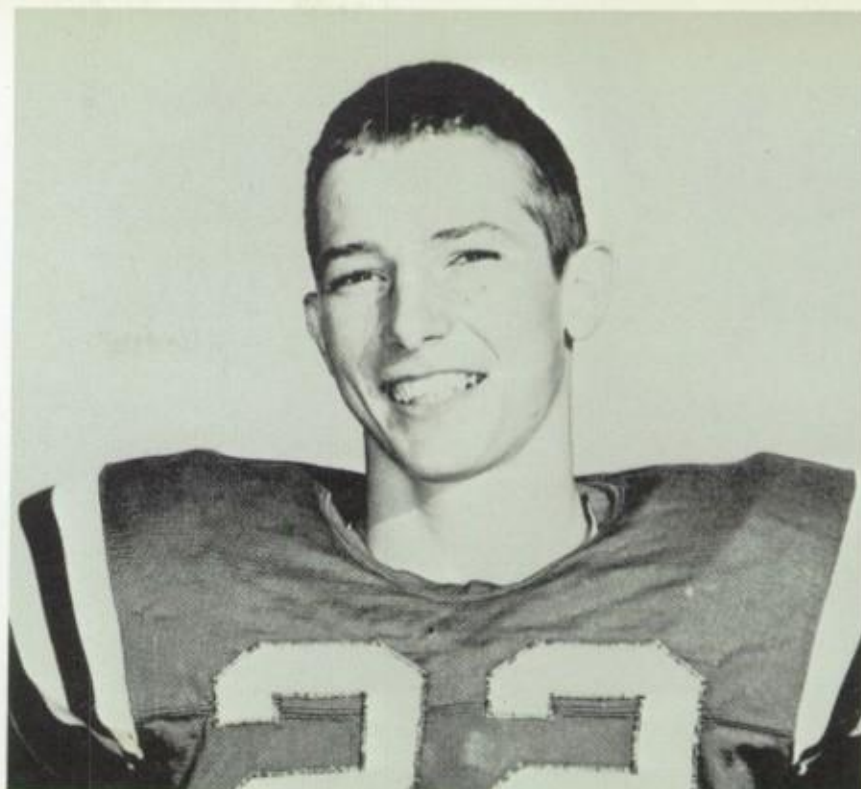

COOKEVILLE 40—GAINESBORO 6

Cookeville picked up their second victory of the season as they crushed the Gainesboro Blue Devils 40 to 6. The Cavaliers started the route early in the first quarter as David Mullinax ran 25 yards around end for six points. Richmond Burgess followed with the first of four conversions. Billy Harris, playing an outstanding game, scored his first of two touchdowns as he took in a Watson Brown pass at the Gainesboro 31 yard line and raced in to score. Midway in the second quarter, Watson Brown threw to Chuck Hershiser for six yards and the third score. Just before the half, Harris scored his second touchdown. On the first play of the second half, Hershiser got his second score on a 56 yard pass from Brown. Central's final touchdown came late in the third quarter from a drive by Buddy King.

COOKEVILLE 7—CARTHAGE 12

The Cavaliers dropped their fifth game of the season as they lost a 12 to 7 decision to the Carthage Owls. Early season injuries plagued the Central team. The starting lineup was minus some of the regular players and included others having minor injuries. Cookeville had several long drives but was unable to score until the fourth quarter, while Carthage was enjoying a 12 point lead. The score was made on a 15 yard Watson Brown-Billy Harris pass completion. Richmond Burgess added the final point. The Cavaliers were moving steadily in the fourth quarter for a possible score when the clock sounded the end of play.

COOKEVILLE 38—McMINNVILLE CENTRAL 6

The Cavaliers came back after hard fought defeat to stomp the McMinnville Central Bulldogs 38 to 6. Central started off the action with a 60 yard pass from Watson to Billy Harris. Cookeville scored again as Watson Brown charged over the goal line to cap a 66 yard drive. Brown scored again in the second quarter on a 10 yard scamper to close out the first half of the game. Kenny McBroom carried the ball in from the one yard line for the third score. The Cookeville defense forced the Bulldogs to punt, and Kenny McBroom blocked the kick. Billy Harris recovered in the endzone for the touchdown. Chuck Hershiser took a pass from Brown for a two point addition. Cookeville scored again at the close of the game as Joey Gibson pulled in a Brown pass for 16 yards and six points. Richmond Burgess followed with the extra point to close out the scoring.

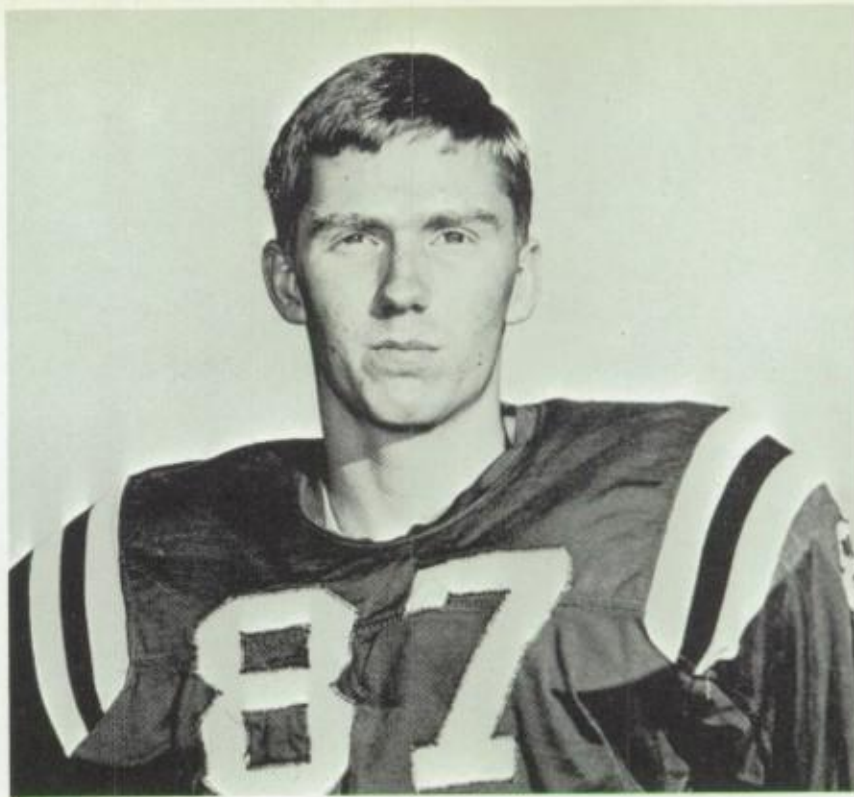

COOKEVILLE 13—CROSSVILLE 14

The Cavaliers dropped another close decision to the Crossville Jets by a score of 14 to 13. Central scored first on a pass from Watson Brown to Billy Harris. Richmond Burgess converted the extra point. Although the Cavaliers moved the ball well, they were unable to score again in the first half. Cookeville trailed 14 to 7 at the end of the second period of play. Midway through the third quarter, after setting up the play with a 31 yard pass to Billy Harris, Watson Brown scored on a 1 yard plunge. Central missed the conversion for the extra point and was left with a one point deficit. The Cavaliers came back with a last minute try, but the clock ran out with the ball on the Crossville one foot line.

Watson Brown played an outstanding game, completing 15 out of 27 passes, making one touchdown, and running for three more touchdowns on runs of one yard, nine yards, and fifteen yards. After a scoreless period of play, Brown scored on a one yard run, and the second score came on a 39 yard touchdown pass to Billy Harris. The last score of the half came after Richmond Burgess had recovered a Rebel fumble on the 17 yard line. James Clinton took the ball across for the score in three carries. Burgess followed with the first of three extra points. The Cavaliers took the second half kickoff back 74 yards, with Brown going the last seven yards for the score. Late in the third quarter, Brown connected with Harris for another touchdown play. The final score of the season came as Brown scampered 15 yards for the score. The Cookeville Cavaliers, playing exciting ball all season, finished with two straight victories, ending the season with a 4-6 record.

Nineteen senior students have earned membership in Mu Alpha Theta, the international high school and junior college mathematics club.

To be a member of this organization, a student must have completed at least four semesters of college preparatory mathematics and be enrolled in a fifth semester. A student's overall average for high school courses must average "90" or above.

Only the most superior high schools in the world are admitted to membership since both curricula and the staff are examined by national officers and governors of the club before a charter is granted.

THREE YEARS OF SERVICE

TWO YEARS OF SERVICE

ONE YEAR OF SERVICE

The Golden Years of CHS

As this is the last year that the present Central High School building will house a senior class, we would like to dedicate this section of the CAVALIER to years of fond memories cherished by past and present generations of Putnam Countians.

A student's first concept of CHS society comes on the initial day of registration.

Confusion in the halls may add or detract from his appraisal.

Faculty pops . . .

Thank goodness Mrs. Blankenship is coming back tomorrow!

We lost Mrs. Moss . . . but we gained Mrs. Crawford.

It doesn't taste like tomato juice!

a s d f j k l ; a s d f

One loaf bread, two pounds of sugar . . .

Many seniors in second semester English found Mrs. Harwell a very capable teacher.

Special events deserve a special portion of our scrapbook . . .

The day they tore the goalposts down . . .

And he did too, right on the mouth.

My 6 cylinder outrun that with a 4 barrel?

I got this one out of Cheerios.

Friends are one of Central's most bountiful assets . . .

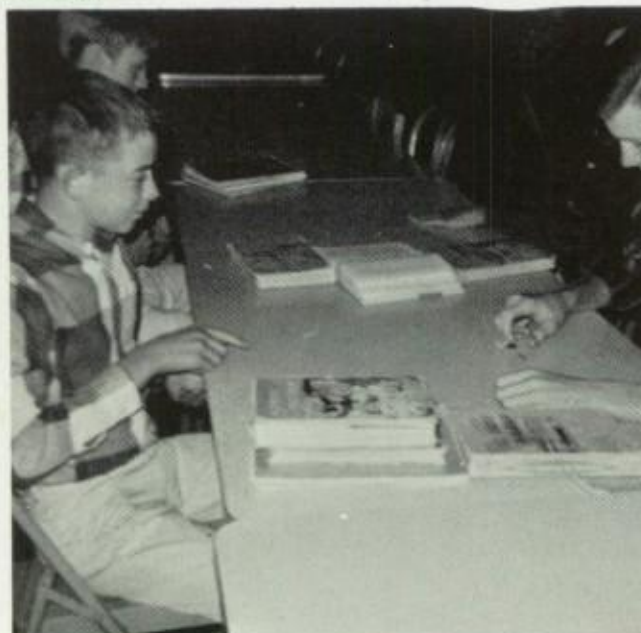

Ahhh, how sweet it is!

They're nice to have around when
you're worn out . . .

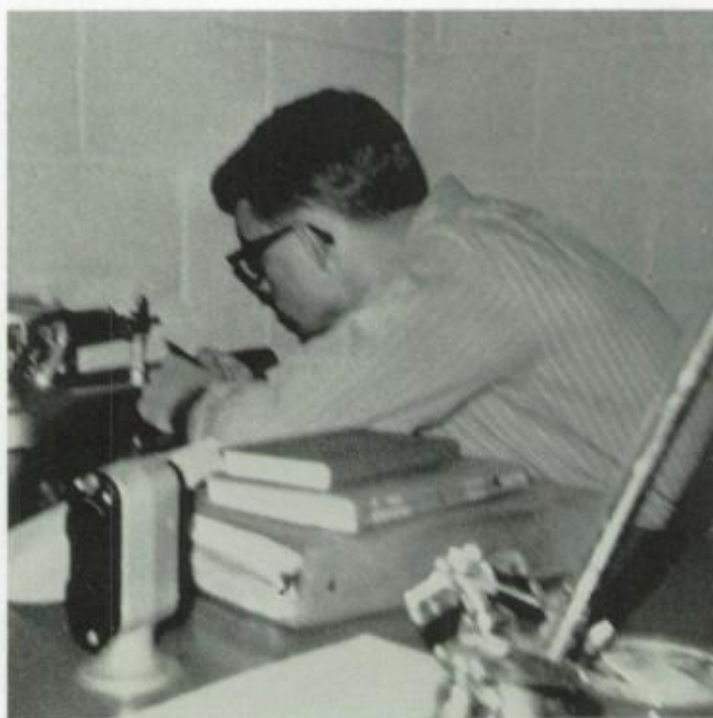

or to play table football with
in the cafeteria,

CHS means many things to many people . . .

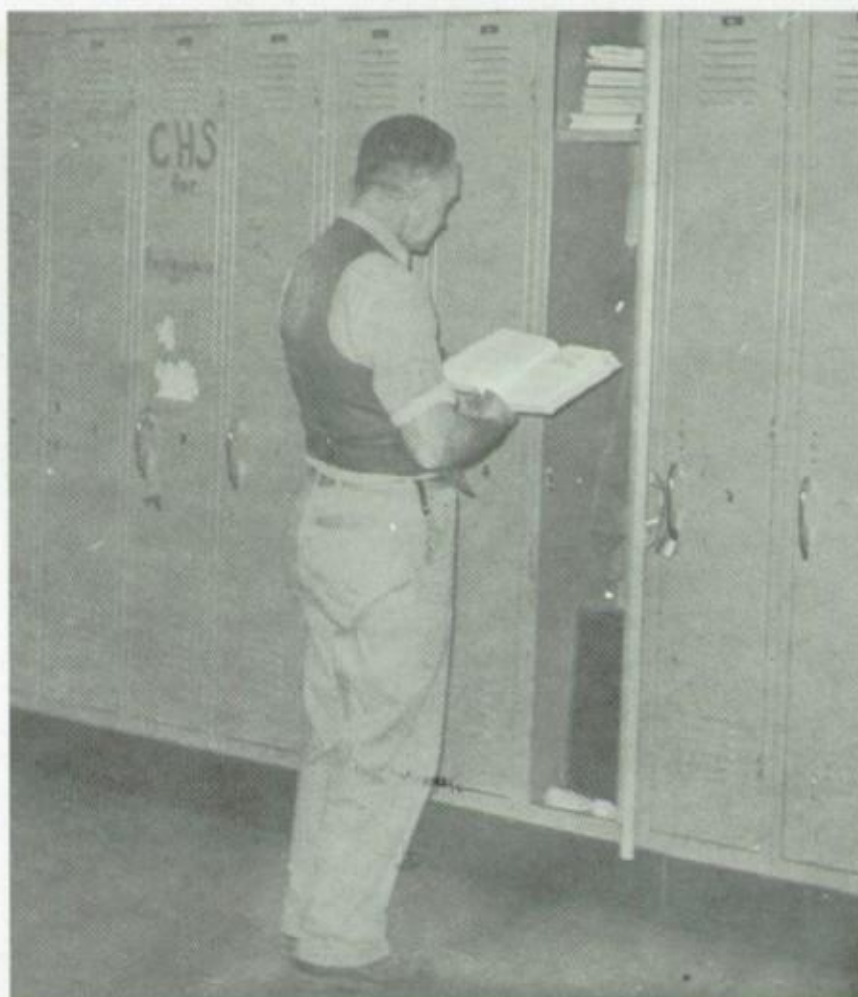

A dilemma at one's locker . . .

the solitude of a physics experiment . . .

a ride down the banister when no one is looking . . .

a search for knowledge . . .

40 winks in the library . . .

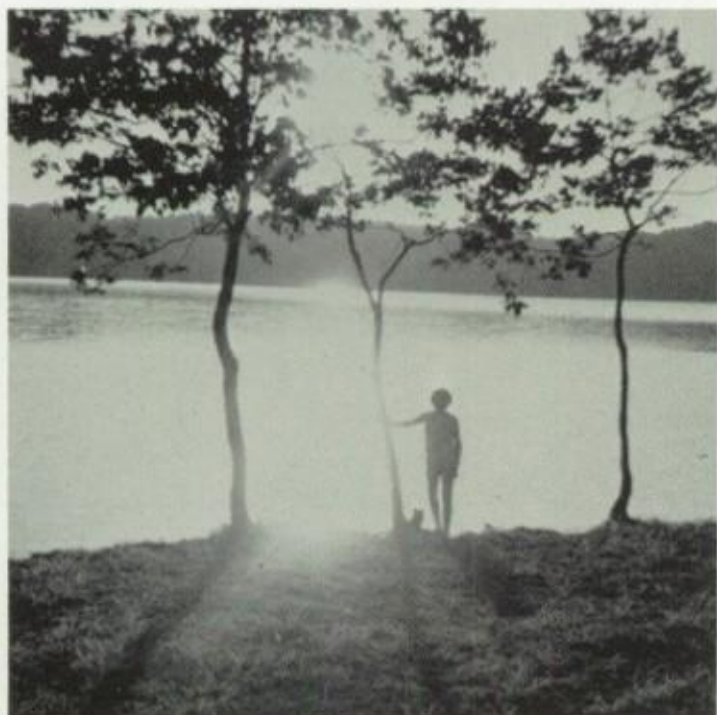

determination . . .

a wait for the bus after school.

Memories are of the purest silver . . .

An afternoon at the lake after school . . .

into the lion's den . . .

the week of the
Chinese New Year.

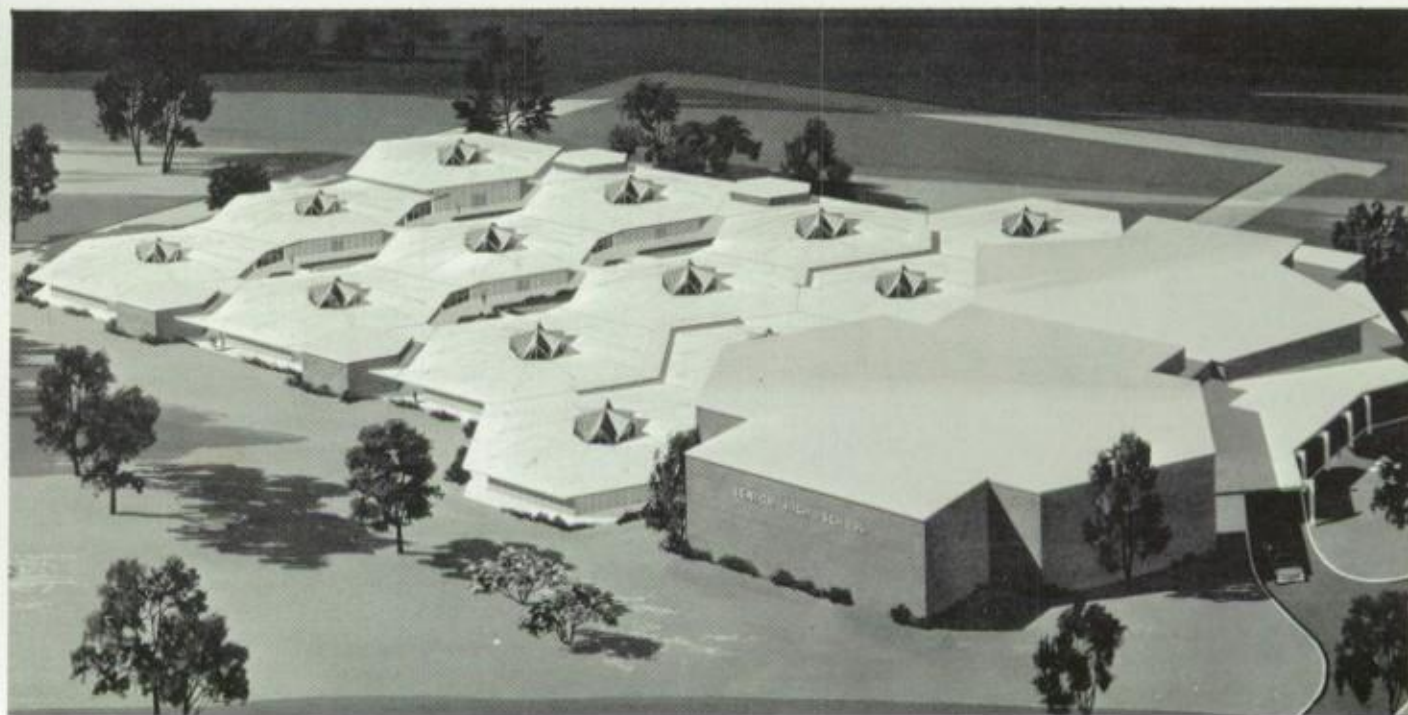

Thus, as the halls of CHS are emptied . . .

and as the curtain falls on
the class of '66 . . .

the future generations look
toward the finally realized
dream.

WE SENIORS KNOW ABOUT OUR ELECTRIC COOPERATIVE

Seven men met in the County Agent's office at Carthage, determined to have service for their communities. They had heard of the R. E. A. program, where farmers joined together to form a Cooperative, borrowing money from the Government just as they would a bank. This was one way to get electric service to their homes. Being a Cooperative, to be managed and controlled by the farmers, they could decide the program. They could manage it as they managed their own business—to make it pay.

What was the next step? Someone had to go to Washington to find out about the program. A local attorney, Mr. DeWitt Fisher, was selected and these seven men took \$10 each from their own pockets to pay his expenses. Mr. Fisher went to Washington and returned with full information. REA, the Government agency, would be glad to make the Loan if the farmers formed an organization so that every member of the organization would have the same amount of money in it; that every member using the electric service would have the same voice in its management and that the organization would take good service to every applicant, everyone in the service area at a reasonable price. An organization was set up July 6, 1938, composed of these seven men: J. B. Cassetty, President; J. W. Jellicorse, Vice President; H. W. Kemp, Secretary-Treasurer; R. W. Royster; Lee Harris; Guy Maddux; and Solon McDonald, and after each man had paid his \$5 membership fee, he was issued a certificate of membership.

They now had the organization and the promise of a loan if enough farmers wanted electric service. The next thing to do was to get out and talk to these farmers. At last, enough had signed to make the Loan feasible and they were in business.

Any student can get the full story by writing the manager at Carthage.
